**Can anyone believe the outrageous misogyny and racism of GOG all over R&E ??**

**He suggested that a woman (who said something very stupid) is in need of a "me too" moment, IOW, being raped.**

**He claimed that women who report sexual assault/rape are just looking for money & payoffs.**

**Later, he said that women are second class citizens who should focus on being good housewives & mothers.**

**He repeatedly laments that "whites only" water fountains are now gone.**

**He misses the segregated south of his past "when blacks knew their place."**

**He misses the "white privilege" he had over minority races.**

**and on and on and on -- there are DOZENS of his posts with racist and sexist remarks. No less than 5 posters protested in that one thread about the "me too" movement. Many more have protested in other posts by him.**

However, Ken simply doesn't care because he doesn't have time to read complaints and doesn't think that ANYTHING GOG said breaks the TOS of Boardhost. His final answer was "don't read his posts if they annoy you" (paraphrased)

This won't end well. GOG is now emboldened once again to do a repeat of his "less than greatest hits" all over again. R&E will be loaded with racist and misogynist BS once again never mind loaded with banned trolls and jb.

With blinding, breathtaking speed the largely White Whine Mondo Fuegoans descended on R&E in full force, where their intent is to discuss nothing, but engage, confront, and irritate "Blew board" posters at will.

Ken posts on White Whine. How often does he post on Blue? GOG and jb are all over R&E, everywhere. Where one is less, the other steps up.

Now and then, in waltz Deanna and DFM, and of course MondoFuego either as himself, or the alias Asking. He needs no other alias at this time because Ken thinks Asking is somebody else. Unfamiliar and inexperienced with MondoFuego he is.

Any conversed thread entered by GOG and or jb quickly deteriorates into a flame war.

Anything Deanna enters becomes ridigigglegulous. LOL!!! Fact!!!. Once DFM writes, the authority has written. Asking leaves behind his excretions.

For a while R&E became a wasteland. It's on its way back to being a wasteland.

Well, Ken has experience with mongo, but NOT the kind we've had with him posing as someone else or his late night trashing.

He knows a whole different side of him, so he falls for what he believes is not him. We all know better because we've been there too many times.

He's also too busy to actually read and follow the patterns or to recognize the word choices. Apparently, he doesn't find it odd that a supposed newbie has identical enemies as mongo and says EXACTLY the same things as him to us all.

I don't have the time nor energy to be bothered with it anymore. Whatever happens, happens. It's simply not worth the bother of letting it upset me or trying to stop it. We have our own board to concern ourselves with.

Inexperienced compared to us.

I taught two kinds of advanced pianos students. One kind resisted little adjustments, corrected fingerings, and did "it" his own way. The other paid attention to those little corrections and adjustments, and only took a few weeks to achieve technique the other didn't for months, if at all. That's

where we earn our money. So Ken will take longer to discover the mondogue we know and love. He has to do it his way, on his time.

This is where we have to accept things we can't change and nurture wisdom not to try and let it go. It is interesting how much alike are White Whine threads and those dominated by White Whiners on R&E, and how quickly it deteriorated. I know he's busy. We all have business and lives. When anything is neglected, it can fall apart with blazing speed. In this example, that's when you need a team who can shoulder burdens from time to time, distributing them equally more or less. I noticed pace at R&E recently slowed down considerably, following the wave of inflammation. CPD is down to one irritant, and maybe none. The executive trinity there keeps threatening to execute him if he doesn't die on his own. Without him, pace there would slow down by 75%. Heartbeat to 6 or 7 times per minute.

GOG is, obviously, a lunatic, but he's not so far over the edge of sanity not to fully recognize what he's saying when he posts his racist and misogynist idiocy. His frantic dissembling when he got called out by multiple parties over his advocacy of sexual assault is both pathetic and perversely amusing. I just seriously let him have it (you all realize who I am over there these days, right?). Probably be *me* that gets banned...lol.

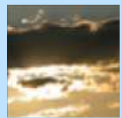

Some day, I'll have to relate some details of my own feud with Mondo, which took place a ways before all that happened over here. Things got...*interesting*...off-board. Almost got way, way, way beyond "interesting." But that's a tale for another time...

Mongo's over there right now posting as FTR and attacking a poster who may or may not be Heavy Hemi. The obsession alone tells you who it is...gotta love a banned poster attacking another poster for being banned! 🤔

I've gotten along with GOG as long as I can engage in light banter; after awhile, though, his spamming of every thread wears thin, and the humor kind of evaporates. That's happening now

Mondo...is a whole 'nother animal. I don't have to tell you that, and everyone seems to have a story, often off-board, about him. I myself e-mailed him about comments he'd made, got threats back to inform my ISP about what I'd said about him, and threatened him with the same before the whole thing died out. Evidently others have had it rougher, though...

Oh, trust me, things can get REALLY bad with mongo. He's as sweet as pie until you see & hear stuff and then begin to question and wonder what the hell is going on with him. Then, he turns on you and he's incorrigible how far he'll take things. He's never content to keep it online. It's always got to go to real life.

GOG can be alright sometimes, but his AH-ness is always lurking beneath the surface. It always comes out eventually.
